MAUSER 98K WWII REPLICA BAYONET & SCABBARD
Original, OD steel helmet with chinstrap and dark blue painted finish. Liner is not included. Very good condition. Typically, these rifles were of inferior quality and potentially dangerous to shoot. For this reason we have de-milled them according to ATF specifications including a section of the receiver removed, a welded, non-functioning bolt and a torched hole through the barrel chamber. No FFL required. The history of this region gives these rifles a bit of mystique and collector value. Note: These are original black plastic grips with fine, laser cut-checkering. Attaching screws are not included.

GERMANY WWII M35/40 HELMET
Original, Post WWII steel helmet with leather suspension, adjustable chinstrap and rubberized chinstrap. Used, good to very good condition. Note: Helmets may include some dust in some cases.
